*Updates with New Hire, Tim Capels*

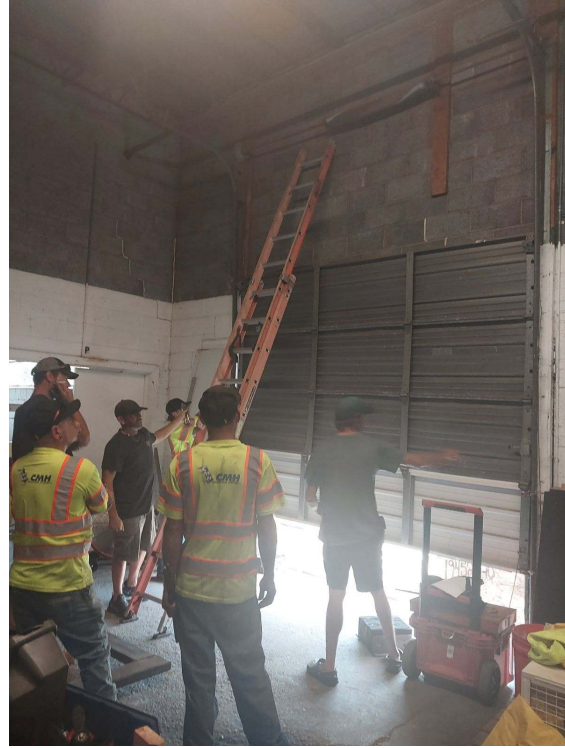

Tim Caples is new to the industrial industry but has worked within the Bottled water industry running a 24 route delivery & service business.

Caples believes his biggest impact for our company can be made by helping set up the warehouse and operating system in an more organized manner.

Caples mentioned CMH Industrial Systems has been great to work with and he's enjoying his new schedule.

Additionally, when asked what advice you could give to individuals starting at his position, Caples responded, "Try to enjoy what you do, come to work with a plan but don't be afraid to make mistakes."

**We welcome Tim Caples to the CMH Industrial Team!**

**We Will Be Doing Training At the End of the Month on the 27th of September! Stay Tuned For More Information.**
