January's Internal Newsletter

Happy New Year everyone! Let this January be the first month of many successful projects and service calls.

2025

Welcome to January's Newsletter! We're beyond excited for what's to come this year and how we can make significant differences for the industries we service.

January's Overview

January is a cold, winter weather month, making repairs more prominent during this time followed by breakages. CMH Industrial Systems™ is dedicated to being first to the job whenever called.

This month we want to celebrate Emmett Lindo's 5th year onboard with CMH Industrial Systems™. Emmett plays a vital role in our day-to-day operations and his efforts maximize our potential for greatness. Thanks for all you do, Emmett!

Additionally, lots of opportunities are arriving this month and onward. Keep an eye out for new content on our social media platforms this upcoming month.

A graphic titled 'January Overview' with the year '2025' at the top. The main heading is 'January Overview' in a large, white, serif font. Below it is the slogan 'JUST KEEP MOVING FORWARD' in a bold, blue, sans-serif font. The graphic features three calendar-style cards: 'Staff Anniversaries' with an icon of three people, 'HAPPY NEW YEAR' with three stars, and 'Monthly Staff Training 1/31/2025' with a lightbulb icon. The CMH Industrial Systems logo is at the bottom.

Looking Forward

Each month we've been hosting staff training for our crew members to expand their knowledge on the dock and door industry.

This month's **staff training** is scheduled to be on **Friday, January 31st**. Emmett and Mid will let the crew know when and where this training will take place.

Stay tuned for the event and new blogs coming out!

Thank You for Another Wonderful Month at CMH Industrial Systems!
